SUCCESS!! EVERY Student...EVERY Day!!
High School 2015 Checklist

This Year

Read the enrolment pack information and attend Junior Secondary Information events for Year 7&8 2015.

Encourage your child to participate in any transition to high school activities offered to them.

Submit your enrolment form & attend your allocated interview - this is your opportunity (as well as your child’s) to tell the school about your child’s individual needs, strengths & future dreams. Why not enquire about our excellence programs?

Organise your child’s uniform with the school uniform shop at enrolment interview time - 20% deposit requested at time or order.

Take the opportunity to participate in our Junior Secondary forums & become involved in the school as much as you can.

Budget for uniform and other costs for 2015.

Next Year

Organise school shoes, books, stationery, school bag, drink bottle and a workspace at home for homework & assignments.

Ensure the school has your contact details and email address.

Regularly check the school website & Facebook page for the assessment calendar & information about school events.

Encourage your child to get involved in extra-curricular activities as they are a great way to meet new people and build social skills.

Encourage your child to participate in leadership opportunities. All Year 7 & 8 students will participate in High Resolve, a global leadership & citizenship program. There will also be school representative council roles for Year 7 & 8 students.

Join our P&C - they are always keen to hear from new parents and are happy for new volunteers to help in the canteen.

Mark your calendar with dates of meetings and interview evenings. We look forward to hearing your feedback at our upcoming Junior Secondary information sessions and forums.
