Exercise 4: Special Operators: Between, In, Like

Write valid SELECT commands containing the BETWEEN, IN, LIKE operators for the following queries:

1. Which prime ministers had between 2 and 4 children inclusive in any marriage?

2. List the names of prime ministers who had cricket, golf or tennis as a recreation.

3. Find the names of prime ministers and their parties where the party name does not begin with 'L'.

4. Who were the deputy prime ministers in ministries numbered 20, 30, 35 and 40?

5. Which prime ministers were not born in New South Wales or Victoria?

6. List full details of all marriages where the spouse name begins with 'L' and the second letter is not 'a' or 'e'.

7. List the prime ministers who had a first or middle name commencing with the letter 'J'.
