Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Engaged English and Mathematics teachers in Professional Learning Teams tasked with collaboratively developing strategies to improve student learning outcomes
- Reviewed student performance in five week cycles
- Employed 2.5 FTE Reading Coaches to:
  - Develop and deliver intervention plans for all students identified as at risk of being below NMS in Reading
  - Implement the MULTILIT program to identified at risk students
  - Coach teachers in developing and delivering strategies to improve students’ Reading skills
- Engaged Mathematics teachers in professional development around strategies to differentiate instruction including pre-and post-testing to tailor instruction to student learning needs.
