Flagstone State Community College is aligning its whole school moderation process with DOE's preferred model:

Flagstone State Community College's vision is success for every student, every day. At FSCC, our delivery of the national curriculum and (7 to 12) and nationally accredited vocational training qualifications (11 & 12) and our school improvement agenda links with State Schooling priorities including academic success for all students, improved participation and achievement with a focus on those students with disability, improved reading for all and extending high achieving students.
